

Your visit to the dentist

1. Going to the dentist.

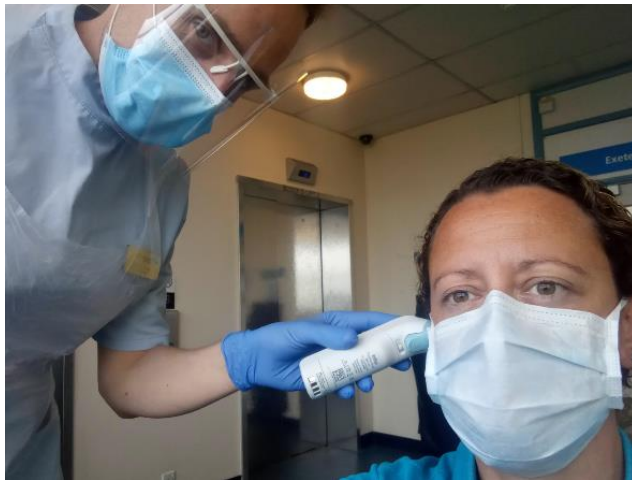

2. You must wear a face mask to your appointment. Come into hospital through the main entrance.

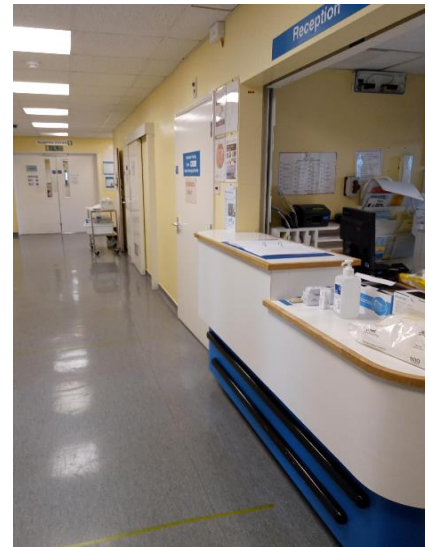

3. Gemma is going to see the dentist. Take the lift to the 3rd floor.

4. Knock on the door. A clinician will open the door and provide hand sanitiser.

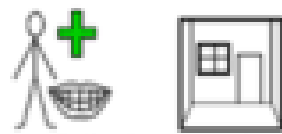

5. We will take your temperature.

6. You'll be escorted into the department.

7. This is the dentist's treatment room.

8. Staff will be wearing masks, visors, gloves and gowns to keep everyone safe.
